

The inaugural World Science Festival Brisbane will take science out of the laboratory and into the streets, parks, museums, galleries and performing arts venues of Brisbane and regional Queensland.

Students are invited to participate in the World Science Festival Brisbane Education Program and celebrate the wonder of science, the 2016 program includes:

## **MIGHTY MAKERS**

Venue: QUEENSLAND MUSEUM  
Year Level/s: PREP – YEAR 6  
Date: Thursday 10th and Friday 11th March 2016  
Cost: \$10 per student (**limited spaces available**)

In teams of four, students from Prep to Years 6 will help solve the problem of pollution in our oceans, and its threat to sea life. Students will be asked to produce a plan for their campaign prior to their visit and then create a 3D prototype or presentation using mystery materials during the festival.

## **TURTLE HATCHING**

Venue: QUEENSLAND MUSEUM  
Year Level/s: All ages  
Date: Thursday 10 – Friday 11 March 2016  
COST: FREE, NO BOOKING REQUIRED

Students will have a unique opportunity to witness the incubation and hatching of Flatback and Loggerhead Turtle eggs—two vulnerable species needing our protection.

## **BIOLUMINATION**

Venue: SCIENCENTRE, QUEENSLAND MUSEUM  
Year Level/s: All ages  
Date: Thursday 10 – Friday 11 March 2016  
Cost: FREE, NO BOOKING REQUIRED

This art installation shows students how nasty germs and bacteria can be transformed into a gorgeous, glowing masterpiece.

## **ON A WING**

Venue: QUEENSLAND MUSEUM  
Year Level/s: All ages  
Date: Thursday 10 – Friday 11 March 2016  
Cost: FREE, NO BOOKING REQUIRED

This free display features a live taxidermy demonstration and showcases Queensland Museum's extensive collection of birds. Queensland artist, Emma Lindsay, will bring extinct Australian bird species and sub-species to life, through her visually stunning paintings.

## **HOW TO BOOK?**

To book for a school group teachers can complete the schools booking form online or call qtix group sales on 07 3840 7466 Monday to Friday 9am to 5pm.
